Your Name:

Date of your new start:

1. Your WHY. What motivated you to start your business? Do you remember having that initial AHA moment when you thought "I could do this myself!", "If only they let me do this my way". "How good would it be if I could just ..." Take yourself to that time or that moment when you got excited about doing your own thing. When you knew it would be different. When you felt that fire in your belly just imagining where you could take things. Now write down what you were thinking:

4. Your business is a success. It's been years of amazing growth! What do you love about the business you are building?

2. When you were in that space, what did your business look like? Who was working with you? Where were you located? What were your surroundings like?

3. What did your lifestyle look like once you were all in and working for yourself? What was different? What did your homelife look like? What did you look like?

5. What do you love about who you are becoming?
